exquisite

Indulge your senses. Savour every taste and texture. This misty, moody palette is your favourite sweater, a stroll through the tall grasses... a pause on the sand for water-side reflection. Subtle, understated colours that let you wrap your room in soothing warmth that nourishes the soul, undisturbed.

enveloping

Bask in the warmth. Pleasing and pampering, this palette is as delightful as pulling on the softest robe and stepping out onto warm stone for biscuits and tea in the sun. It's driftwood in the dunes, the sparkle of blue beach glass. It's how to make a space as relaxing and refreshing as the sun-warmed sea.

effortless

Experience harmony. Mix and layer two or three colours from this palette for walls, textures and floors. Used together, they balance delicacy and strength, yin and yang, passion and serenity, imbuing a room with the harmonious tension of nature. They create stillness... and a welcome retreat for calm introspection.

ethereal

Dream away. Slip between cool sheets to the scent of freesias on the soft breeze. Feel the silky duvet quietly warm to your body. Gaze out to heavenly blue as time stands still. These are the colours of perfect peace, the incredible lightness of being in the moment. The feeling? Like gently floating on a summer cloud.
